Community Focused

The York White Rose Run is now being managed by Big Brothers Big Sisters of York & Adams Counties – an organization committed to helping empower at-risk youth to make responsible life choices through professionally supervised mentoring relationships with adult and student volunteer role models.

Our goal is to raise funds to support our SMART programs in the York City School District. SMART stands for Students and Mentors Achieving Results Together. The high school or college mentors in the program help their Littles by being a positive role-model and friend.
